Sir:

In response to helpful communications with the Examiner on January 23, 2008, Applicant submits herewith a marked-up version of the substitute specification pursuant to 37 C.F.R. § 1.125. To the best of the Applicant's knowledge, the substitute specification filed October 31, 2007, incorporated all the previous amendments entered and added no new matter. The instant substitute specification is submitted with markings showing all the changes relative to the immediate prior version of the specification of record. The text of added subject matter is underlined, the text of deleted matter is shown by strike-through.

Additionally, a marked up version of substitute Figure 42 was included by mistake with the October 31 Amendment: a clean version is submitted herewith. Further, substitute figures are provided herewith for the remaining figures that remained inconsistent with the substitute specification, specifically Figures 50 -53, 58, 59, and 60. To the best of the Applicant's knowledge, the substitute figures incorporate all previously entered amendments and add no new matter.

Applicant respectfully requests reconsideration of this application and allowance of the pending claims.

Except for issue fees payable under 37 C.F.R. §1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. §§1.16 and 1.17 which may be required, including any required extension of time fees, or credit any overpayment to Deposit Account No. 50-0310.
